

TO ALL BIDDERS OF RECORD:

The Dedham-Westwood Water District has decided to cancel the invitation for bid for the construction of the Dedham-Westwood Water District Storage Facility and Site Improvements. The District is seeking a code interpretation, which may affect the building design and project scope. Therefore, the decision to cancel the invitation has been made in the best interests of the District.

We appreciate your interest in the project. We are actively working to ensure the bidding process can resume as soon as possible.
